Dedication

We, the Senior Class, Annual Staff, and pupils of Kennedale High School wish to dedicate this the '54 issue of the Kennedale Kat with love and admiration to Miss Janie Sheppard and Mr. Otto Lockee. We wish to express our deepest feeling for two wonderful teachers and excellent athletic coaches.

Miss Sheppard is not only a teacher but also a good friend whom we can depend upon for anything. Because of her sympathetic understanding, her cheerfulness, her experienced leadership, she has endeared herself to us.

Mr. Lockee a real Christian character, has high ideals. His helpfulness, his friendly advice, and his humbleness have made him an ideal for the students in Kennedale High School to try to follow.

Superintendent's Message

The 1953-54 school year at Kennedale High marks the beginning of a new era for many of us especially for this graduating class.

Although the difficulties of the year have been many, we instructors have gained inspiration and a certain degree of satisfaction from the individual progress you have made.

Seniors, may I say to you and the remainder of the student body, that the pursuit of a good education is a noble and a worthy undertaking but it alone is insufficient. It is my hope and the prayer of my heart that each of you will find his place of service in life--for life is a God given privilege and should not be taken for granted.

May the divine hand be the light of your path and the anchor of your soul.

Last Will and Testament

We, the Tenth Grade of Kennedale High School of the City of Kennedale, Texas, being crazy and out of our minds, do publish this as our Last Will and Testament.

First: We ask that the executors, the Ninth Grade, improve our horrible citizenship and increase our feeble grades.

Second: We give our friendship and consolation to the Eighth Grade.

Third: All the rest of what we have, the Ninth Grade wants us to give as follows:

Ronnie Bolar wills his hard head and temper to Jack Morgan and William Kirkpatrick.

Alva June Brown wills her ability to be "Beat On" to Mary Lane Taylor, Patsy Pearce and Margie Williams.

Wanda Burdett wills her ability to stay out of school to Dorothy Mitchell and Sharon Miller.

Leon Cunningham wills his way with the girls to Jerry Cooper and Royce Brewer.

Dorothy Curry wills her sparkling personality to Joy Childress, Alma Pellegrini and Danene Fenoglio.

Dickie Fuller wills his way of getting into trouble to Clarence Bell, Billy Cappers and Kenneth Tramel.

Tommy Grissom wills his ways to get along with the teachers and his right to be called "Pretty Boy" to Pat Turner.

Jerry Hale wills his ability to be the brains of the class to Bobbie Townsend, Kenneth Daugherty and Virgil Russell.

Ann Hughes wills her lady-like and quiet ways to Jo Ann Ledbetter.

Rosalie Lowery wills her ability to come to school late to Bobbie Hodon, Alva Elrod and Peggy Frazer.

Gilbert Mills wills his ability to talk to Mr. Dobbs over the loudspeaker to Frank Houston and Arnold Hennesay.

Jimmy Patterson wills his ability to be late to every class to Mickey Anthony and Charles Archer.

Commie Payne wills all his old girl-friends to Jessie Mix and Norman Sheffield.

Ruby Preston wills her love for the whole "Male Race" to Rebecca Johnson and Rosalie Haney.

In the event that the Ninth Grade should graduate with us or before us, we leave everything to the Eighth Grade.

Not being witnessed, we scribble our names this the 28th day of May in the year One Thusand Nine Hundred and Fifty-Four.

Class Prophecy

In the summer of 1969, the graduating class of 1954 returned to witness the changes in their former classmates. As they entered Kennedale city limits, which had expanded quite a distance, they were delighted to see the progress that had been made.

Mrs. Garland Curry, the former Ruby Preston, was the first to arrive and she informed us all that she had to bring her husband along to assure him she would not be flirting with all the other men.

Among the early arrivals was Tommy Grissom, his wife and children who reside at Arlington, Texas. Tommy is known as "His Honor," the Mayor of Arlington.

Dorothy Curry, who is the noted piano instructress, is still playing the field and calls her home New York City, New York.

Mr. and Mrs. Leon Cunningham, the former Rosalie Lowery, found true love at last and are blessed with nine healthy children. Leon is the manager of a nursery.

Gilbert Mills, handsome young bachelor and playboy, is available to the first pretty girl that says yea. He expects to be married at the age of 97.

Everett Winsett made a very impressive arrival with a big roar and a screech of brakes. More or less a private demonstration of his own cars that he manufactures.

The Honorable Reverand Walter Lee Fuller, pastor of the new Kennedale Baptist Church, was present for the reunion and was quite a change from the rowdy Dickie Fuller we knew back in '53 and '54, who, I am sure, drew the respect of his former classmates.

Jimmy Patterson and Commie Payne were quite a surprise to all, for they not only entered arm in arm discussing the world situation, but were readily agreeing with each other. They are competitors in business, both being distributors for some well-known auto manufacturers.

Wanda Burdett, as she was known in the old days, arrived out of breath carrying little Phil, her youngest son.

Alva June Brown, late as always, told everyone about her extravagant wedding to be held in the near future. It is to take place in the Kennedale Hotel, and we are all invited to attend.

Everybody's attention was on the door as Ronnie Bolar, the promising young actor, walked in. His latest picture is "There's No One Like Me," in which he sang the song, "Please Release Me."

Jerry Hale, one of the last to arrive, was almost unable to attend because of a brain operation which required his services. He is a great specialist in that field.

Ann Hughes, the last to arrive, had quite a surprise for everyone as she had gained so much weight she had to refuse the ice cream and cake that was served.

Everyone had a wonderful time. Before we knew it, time had passed by and as we parted once again, everyone's eyes were wet, as meeting again, and remembering our carefree school days of fifteen years before had left us a little wistful.

A FOR YOUR THOUGHTS!

There's one that buys more than most --and that's the penny you spend for electric service! For instance, you can six large rugs for one cent's worth of electricity. And just one penny buys the power to wash three of laundry! Like to sew? You can for five hours on one worth of electric power. In fact, every time you pay your electric bill you're paying for a of comfort, work-and-time-saving help, and pleasure. Yes, electric service is a real friend . . . always ready at the flick of a  and so low in cost that you must agree: It's the Biggest Bargain in the family budget!

it's a FACT!

As you turn these pages today, or on some tomorrow, you will re-live the wonderful times you had "back in the good ole' days" at your Alma Mater. With the passing of years this annual will become a priceless treasure-train to whisk you back along memory lane to rejoin your old friends and re-visit familiar places.

As we at USECO turn these pages, we see the America of tomorrow. The farmers, the lawyers, the doctors, and the many trades and professions are so ably represented within these pages. We are honored to have played a part in recording this pictorial history of your 1954 school days . . .

. . . and THAT'S A FACT!
